**To Whom It May Concern**

Rapid International Ltd has been in business for more than thirty five years, manufacturing Batching Plants, Silos and Concrete Mixers for the Concrete Industry.

We have used the services and support of MXI Software for more than eight years.

Their professional approach, pre-planning and reliability are exemplary.

The on-site support and implementation have always been thorough, with full customer satisfaction; being their motto – before the engineer departs our site.

Remote support has been very controlled with excellent efficient response.

Yours Faithfully
